## FEATURE ALL DAY WAS LIQUIDATION

Volume Not Altered by Money Rate.

LONDON NOT A FACTOR

Call Money Started at Six Per Cent. Later \$3,000,000 Was Loaned at Six and One-Half.

NEW YORK, Oct. 9.—Liquidation has been the feature from the start, and its volume was not altered nor tendency changed when the moderate money rate became established.

London was not a factor.

The market at noon was quiet.

The tone at the opening, with the expectation of a slight rally in the first few minutes, was at moderately lower figures.

The selling, according to brokers executing the orders, has been voluntary liquidation of local speculative accounts, sales for both long and short supply by Western houses, and some supply by brokers on London orders.

St. Paul, which opened at 187 1/2, declined to 177 1/2. Reading dropped from 12 1/2 to 12 1/4. Northwestern, which was sold at 21 1/2, fell to 21. Brooklyn Rapid Transit, Metropolitan issues and Pennsylvania were held. Metropolitan sustained its reputation, while the rest of the market declined.

Call money started at 6 per cent and later \$3,000,000 was loaned at 6 1/2 per cent.

The trading in Steel is almost wholly by room traders. Gates brokers were principal buyers of East Iron Pipe. The Hebrew holiday caused activity to lessen. The bond market is steady. Government bonds were unchanged.

## HEBREW'S MOST SOLEMN SERVICES HELD TODAY

## Feast of Yom Kippur Appropriately Observed.

## All Labor Suspended and Members of the Faith Fast Whole Day.

Solemn services were held this morning in the Eighth Street Temple when the feast of Yom Kippur was appropriately observed. This is the most solemn service in the Hebrew ritual, and one which is universally celebrated.

All labor is suspended, and members of the faith spend twenty-four hours in fasting and in prayers of atonement for their sins. It is a day of repentance and sorrow, and one which claims the prayers and meditations of Hebrews throughout the world.

The service in the Eighth Street Temple was held at 9 o'clock. Rabbi Simon and Rabbi Stern participated in the solemn ritual, and Rabbi Simon delivered an eloquent sermon on "Atonement for the Social Problem." It is the custom among members of the faith to observe the eve of this feast as a time for the perpetuation of the memory of those who have departed this life.

It is always the custom to decorate the graves of relatives and friends on the Sunday which sees the beginning of the day of atonement. Yesterday many people went to the Washington Hebrew Congregation Cemetery. Special services were held, during which Rabbi Simon preached on "The Atonement for the Domestic Problem." Dr. Stern read the prayers.

The services of this solemn feast will conclude at 6 o'clock tonight when business will be resumed and the cloak of gloom will be cast aside. During the afternoon service Rabbi Stern will preach on "The Opening and Shutting of the Gates of Heaven."

Special services also began at 6 o'clock last night in the Adath Israel Temple, Sixth and G streets northwest, and in Old Fellows Hall, under the direction of Rabbi Graftman. In both of these temples the services were again held this morning and will be resumed this afternoon when they will be continued until 6 o'clock this evening.

At the Fifth Baptist Church, the Rev. Dr. Weston Bruner, pastor, said more than 500 new scholars had been enrolled since last year, making a total membership of nearly a thousand.

The Congress Street Methodist Protestant Church, Georgetown, held services throughout the day. Addresses were made to the children by J. D. Cathell, T. W. Grimes, H. C. Grimes, Superintendent George W. Graves, and the Rev. W. A. Crouse, father of the pastor of the church.

A special musical program had been prepared for Calvary Methodist Episcopal Church, Columbia road, near Fifteenth street, under the direction of Frank C. Waring. Besides Superintendent Fred C. Croxton, the speakers were Arthur Buell, of Foundry Methodist Episcopal Church, and Richard P. Evans, of Calvary.

The pupils of the First Methodist Protestant Church, Fourth street, near G southeast, heard talks on Sunday school work by President Miller of the District Sunday School Union; Superintendent Bradley of Grace Baptist Church; Superintendent Rockwood, of the North Carroll Avenue Methodist Protestant Church; and Mr. Jones, of St. Paul's Methodist Episcopal Church South.

Chinamen Sang.

One of the most interesting rallies of the day was at the Chinese Mission Sunday school of the Metropolitan Methodist Church. The Chinamen are just learning enough English to speak a few verses from the Scriptures. The school is under the direction of Miss Sally Somers, who had prepared a very appropriate program. English hymns were sung, and music was furnished by the Chinese. The class is composed of about fifty Chinamen. A lately class of Greeks has been formed.

The children of Temple Baptist Church, Tenth and N streets northwest, listened to William B. Andrews, Superintendent of the Rev. J. C. Nicholson, and Superintendent George Cook. The exercises were concluded by a solo and chorus by Ruth Troy and the infant class.

SPANISH CHILDREN DIE YOUNG.

Out of every 1,000 children born 89 survive their fifth year in New Zealand, 50 in New South Wales, and 84 in Victoria. In England, 127 in Ireland, 72 in England and Wales, 71 in France, 64 in Austria, and 51 in Spain.

## ALEXANDRIA, Va., Oct. 9.—Yesterday afternoon Policemen Nicholson and Mayhew received word that John Williams, colored, had cut a colored woman named Grigby in the southwest section of the city.

They repaired to the scene and came upon Williams, whereupon he drew a pistol and pointed it at the policeman. Upon their closing in on him, he took to his heels, closely followed by the policeman.

Jumping a freight car, he managed to make good his escape. This morning word was received at police headquarters that Williams was shooting at the Grigby woman.

Policemen Knight and Smith started after Williams, but he, catching sight of them when they were two squares off, started to run. He was chased by the policeman into West End, where he succeeded in eluding them.
